

MILDURA ALL POWER NATIONALS

TESTIMONIAL

Today's Date : 30/04/2015

Name: Geoff Lawrence Home Club : Tasmanian Speedway Kart Club

Your Racing Experience : Around 8 years in dirt karts and nothing before that but have crewed on a few other

divisions

Your Best All Power Finish : Last in the A main first year running it and was happy just to finish, better this year hopefully

What was your favourite All Power moment ? The whole event , the way its run , the format the people involved in

getting the event ready and running each year. The track and most of all that lovely "Air Fence", heading into it head first

was not the best way to find out how good it really is , resulting in no injury and restart in the same heat

What part of the All Powers should we never change ? I think the format just seems to work for Olympic Park so in

words of some wise man "If it aint broke don't fixit"

Why did you decide to race at the All Powers ? Really enjoy the format and getting to meet /race new and old people

Your Sponsors : Eastune / Gyrotime (best carbies,tuning lights etc)

Rallysafe / RacesafeH2O (Saftey and tracking system for all types of racing)

Do you want to thank anyone ? Gyro for great engines and advice

Sunraysia Kart Club and its great members, always ready to help , David Woods and crew
