

A MESSAGE TO ALL THOSE ATTENDING THE Mildura All Power Nationals.

The Mildura All Power Nationals is a unique event that the Sunraysia Dirt Karters are very proud of.

Some of you are here because you have seen the thousands of dollars in prize money that is available and you think you have a good chance at taking it home.

But most of you are here to experience the event that you have heard so much about. To soak up the excitement, the buzz, the speedway glory that so often bypasses the Speedway Kart class. You are here because you have heard that we put on a damn fine show. And you are here to have some fun!!!

Sadly, at last years event nearly all of our volunteers threatened to go home at some point. Every single one of our volunteers are all too aware that every decision that they make could greatly impact on your All Power experience. Every single one of our volunteers are highly stressed, ensuring that they do the very best job they possibly can for you.

If you have a legitimate issue – you are missing from the transponder results, or there is a large piece of debris on the track, or a safety concern – then please raise the issue with our Clerk or Course, or Chief Scrutineer.

If your issue is more that you are unhappy with the way we are running this event, or if the way we do things is different to the way you are used to , then please don't do anything to upset our helpers, and certainly do not post it to social media where you will almost certainly get yourself a holiday. The answer is written in the Code of Conduct which is read out to everyone at the start of the race meeting, and is printed in the Speedway Australia Racing Rules and Regulations:

“If after doing this those concerns are not addressed to your satisfaction, you are advised to withdraw from this Race Meeting”

And also a reminder of Rule 7.3 - Drivers are responsible for their pit crew.

Our wish is that it never comes to this, and we are all working hard to ensure that as many of you as possible have the best All Powers experience that we can provide.

Have fun, make new friends, race hard but fair, and soak up the All Power experience, and we will see you all next year.

The Sunraysia Dirt Karters Inc. A0047957G

Committee.
