

To The Manager,

The Sunraysia Dirt Karters are looking for the support of local businesses in the sponsorship of our club.

The Sunraysia Dirt Karters are based in Sunraysia and race at both Olympic Park Speedway and Timmis Speedway. Currently we have approximately 83 registered club members and their associated families and friends who support our meetings. Race meetings are held every month during the racing season, and many of our members also compete at various Victorian and Interstate events with very high success.

The largest event on our club calendar is the "All Power Nationals" meeting held in May; where combined classes race against each other for prize money and All Power glory. The All Power Nationals has quickly become the biggest speedway karting event of the year. Each year it attracts multiple past and present national and state champions and 2015 will be no different.

The Sunraysia Dirt Karters is a family friendly club, whose members are committed to supporting sport in Sunraysia.

To assist the Sunraysia Dirt Karters Club in continuing their sporting excellence, we rely on the generous support of local businesses to donate goods or sponsorship on a regular basis. This support is vital in the sustainability of our club. In return, your business will receive recognition in our club newsletter, on our website and facebook pages, free entry into all race meetings held in Mildura and VIP treatment at the All Power Nationals 2015 event.

A representative of the Sunraysia Dirt Karters will be contacting you in the near future to discuss sponsorship or you can alternatively contact me regarding your support.

We look forward to hearing from you regarding this matter.
