

## 2017 Driver Profile

Submission ID: 2461664 - x58952302020342.75725083

The message has been sent from 120.151.96.207 (Australia) at 2017-02-03 20:40:34

Name	kelsey
Age	18
Class/s Racing	All powers, Twins
Association	SKAA
Kart Number	75
Home Track	Olympic Park
Chassis Type	Lightning
Engine Builder	Lightning Karts
How long have you been racing karts?	Just an easy 11 years
Best Racing Moment(s)?	I have had heaps, but my fave would be getting driver of the year, beating jase to come fourth in twins last year, I've won a couple SA titles too. Travelling for speedway is always mint
Worst Racing Moment(s)?	I smacked the fence in boardertown really bloody hard, that one hurt a bit. Also, I raced a modified sedan as well as a kart in Broken Hill once and I broke both of them and ended up driving nothing so that sucked.
What is your favourite track, and why?	To race karts on I'd say boardertown as long as its not attacking me. For the amca it would have to be a toss up between Speedway City and Murray Bridge.. sorry lol can't make a choice
Who's your favourite person to race against, and why?	Jamie Nichols because at least I know I wont come last
Why do you love speedway?	well who wouldn't really? Who wouldn't love to spend every weekend turning left constantly and getting covered in mud? Like that's a dream come true mate
Have you ever raced any other form of motorsport?	Positive captain. I've raced a rally ute, a modified sedan, I raced a quad once when I was little and I currently race an AMCA
Outside of speedway, what other hobbies do you have?	Love a good nap and a good feed.. But chances are you'll find me at Doms on a Saturday night
Give us some information about your team/pit crew/supporters:	Well father Allen does everything for me, fixes all my broken stuff and gets all my race cars/karts ready. Nan and Pop are true gems, they travel everywhere with me and Pop fixes heaps. Then everybody else who helps out probably has a drinking problem.
Sponsors	Mom & Dad, Robbo for driving the trucks, Mawsons, Duct Makers, Rob Stevens Race Engines
Optional - upload a photo to be used in your driver profile on our website.
