Worst Moment(s)?	<p>Putting it on the front row at Loxton Club Championship in 2015, and hitting the winrow in turn 3 taking out the Majority of the field.</p>
What is your favourite track, and why?	<p>My favourite track would have to be Port Pirie Kart Club In South Australia, because its unique, lost of fast flowing corners and plenty of overtaking opportunities. The track maintance crew always have it in great shape for every round.</p>
Who's your favourite person to race against, and why?	<p>I would have to say the most influencle driver i have race against would have to be Scott Feder Dave Carruthers, Ben Brown. All three of these men are great to race with, not only are they hard to beat they are really good at what they do. You can learn so much from watching the lines they take, and they aren't to fussed to give you a hand when your under the pressure off the track.</p>
Why do you love speedway?	<p>I have no choice to love speedway. simply because speedway is in my blood. My dad race formula 500's as a young teenager, until i come a long, he said he'd be the best their ever was if i didnt come along.</p> <p>Now a days i do World Series Sprintcars speedweek with the family and its simply the best time of year!</p>

	i have followed my uncles racing since as long as i can remember. Luke drives the W26 Diamond Bay sprintcar out of WA and it simply is addictive!
Have you ever raced any other form of motorsport?	testing in a V6 sprint.
Outside of speedway, what other hobbies do you have?	Outside of speedway there is no better hobby than playing football every Saturday.
	I'm also a DJ at Rivaz nightclub in Renmark just down the road from here in the Riverland.
Give us some information about your team/pit crew/supporters:	well, during race meetings dad does get a bit peeved with himself and myself when we do miss the setup and go backwards. But as i see it if it was easy it wouldn't be any fun. But dad really does work his bum off during the nights/days when we are racing.
